2024 International Conference on
Social And Sustainable Innovations In Technology and Engineering
SASI-ITE'24

23-25, February, 2024

THEME: EMPOWERING FUTURE WITH VERSATILE TECHNOLOGIES

Technically Cosponsored by
IEEE Vizag Bay Section

DOCTORAL COLLOQUIUM
A Technical Program of SASI-ITE'24

Submissions

- A research statement summarizing the thesis research topic, the working plan, and the progress to date (max 2 pages).
- A CV (max 1 page). The CV should highlight any publications and conference presentations that are related to the thesis topic.
- A supporting letter from the thesis advisor that endorses the scholar's application to this Doctoral Colloquium and briefly describes the progress or status of the student's thesis work.

All materials should be prepared in a single PDF file and submitted through the following mail ids. **sasi_ite@sasi.ac.in, krishna454@ieee.org**

Eligibility

- Eligible students are those pursuing a Ph.D(completed course work/Provisionally confirmed) with some results already published or nearing publication.
- Although having a paper appearing in SASI-ITE'24 is not a prerequisite for participation, it is highly encouraged for applicants to have a paper associated with the conference, whose topics could be summarized during the Doctoral Colloquium.
- We encourage early stage Ph.D. students to register and attend the events to learn from these presentations and expert feedback to the same.

Visit our website for more details:
https://ite.sasi.ac.in/Doctoral_Colloquium.html

Registration

- 30 Minutes will be given for presenting your ideas in front of experts which will helpful to fine tune your thesis.
- Registration is Free for Conference authors. Non Conference authors follow the paper registration process.
- Last Date for Submitting the Proposal: 31st, January, 2024
